

The beauty of our annuity products lies squarely in their simplicity and security.

Simple from the standpoint that they're fixed in nature. They provide long-term accumulation of wealth, specifically designed for retirement needs. There are no hidden management fees or annual charges. (Surrender charges may apply.)

Secure because they are backed by the Knights of Columbus, an organization that earns the highest ratings from independent rating services while maintaining high ethical standards.

Our investment philosophy is consistent with the nature of the funds entrusted to us. We invest in vehicles that generate competitive rates for you, while assuring absolute safety of your retirement nest egg.

Whether you're looking to start a retirement savings program or moving substantial, more volatile funds into 'safer waters', the Knights of Columbus offers programs that can help you achieve your goals.
