

*Knights of Columbus District 14
And Holy Cross Services
2018 Contributions
December 1, 2018*

Dear Worthy Grand Knight and Council Members,

I wanted to thank you for your generous contributions to Holy Cross Services donation drive this year. As in past years, your kindness and cooperation resulted with amazing donations. It is always with great pride that I take your donations to the State winter meeting. Helping prepare these gifts for the past four years has been a labor of love.

This year your bathroom baskets totaled 45 which was nearly 10% of the total collected from the whole state and the hoodies totaled 63. And it was so helpful to have the cash donations to assist in buying the baskets and clear gift bags for the bath things and the tissue paper and boxes for the hoodies. Since these are used as Christmas gifts for those served by Holy Cross, it is of utmost importance that everything look identical and hold the same things. Included is more information on the services you help to service.

Below are the pictures of your donations for this year. And again, thank you for your generosity cooperation.

Peace and Blessings ~
